

# SAVOURY SNACKS – TASTE, VARIETY AND BALANCE

Made from natural ingredients...

Savoury snacks are made from everyday staple food ingredients: vegetables, fruit, grains, starch, pulses, vegetable oils and flavourings.

...our savoury snacks...

Different ways to prepare food

Variety of shapes, textures and flavours

...can be part of a balanced and healthy diet.

Innovation allows manufacturers to use new techniques/ingredients and further improve the nutritional content of the products.
